**UPDATE- February 2010**

February---another cold month. One more month to go and it will be Spring! I have seen evidence of buds growing and that's a good sign. We are all starting to think of outdoor projects and ways to spruce up.

Speaking of ways to spruce up, our hall is in need of repair. There are certain items that should be addressed for the upkeep and maintenance of the building. Brother Paul Altman has done a great job of organizing and keeping our building sound. Thank you Paul! We are looking at different ways this coming month to fund raise not only to help our charities but to give a boost to our building. We have held many events here to help the community and build fraternity - and still will in the future. Many have come to enjoy the social aspect of what the hall has to offer, and many utilize the Hall for their family functions (receptions for funerals, birthdays, special family events, etc.). The hall does add another dimension to our council. If you feel you can help in anyway I would love to hear it.

Knights and Daughters held their Sock Hop event and what a great time it was! If you missed it you missed something real special. There were 125 people dancing to the sounds of the fifties and rock and roll. Little ones to grownups hit the dance floor in rhythm and contest, from hula hoop to limbo. Many thanks to people who helped to make the event a success.

May you and your family be blessed and I look forward to seeing you in the upcoming year. There is a lot of excitement, come be part of it!!!!
